NURSING
INFORMATICS IN
CANADA*

Meet the CNIA

Mission

To be the voice for Nursing Informatics in Canada.

The CNIA is the culmination of efforts to catalyze the emergence of a national association of Nurse Informaticians.

Goals

- *To provide nursing leadership for the development of Nursing/Health informatics in Canada.*
- *To establish national networking opportunities for Nurse Informaticians.*
- *To facilitate informatics education opportunities for all nurses in Canada.*
- *To engage in international nursing informatics initiatives.*
- *To act as a nursing advisory group in matters of nursing and health informatics*
- *To expand awareness of Nursing Informatics to all nurses and the healthcare community.*

How can I join?

We do not yet have representatives for Nunavut, Saskatchewan, Prince Edward Island, Yukon Territories or the Northwest Territories. If you are interested in becoming a member or representing your province or territories please contact:
