CANADIAN NURSING INFORMATICS ASSOCIATION

THE VOICE FOR
NURSING INFORMATICS
IN CANADA

www.cniac.ca

Meet the CNIA

Mission

To be the voice for Nursing Informatics in Canada.

The CNIA is the culmination of efforts to catalyze the emergence of a new national association of nurse informaticians.

Goals

- To provide nursing leadership for the development of Nursing/Health informatics in Canada.
- To establish national networking opportunities for nurse informaticians.
- To facilitate informatics educational opportunities for all nurses in Canada.
- To engage in international nursing informatics initiatives.
- To act as a nursing advisory group in matters of nursing and health informatics.
- To expand awareness of Nursing Informatics to all nurses and the healthcare

Guidelines for Registration

CNIA offers several categories of membership to help you personalize your involvement and interaction with the association.

The membership categories are regular, institutional, student, associate and regular informatics affiliated members.

The current membership year runs from January 1st to December 31st.

How can I join?

It is easy to join - just download the rtf membership form our website <http://www.cnia.ca/membership.htm> complete, save and email or mail it along with your fee payment to our Director of Membership Services.

While membership in the CNIA is open primarily to Nurses, there are other membership categories for non-nurses.

Regular/Associate - \$56.50

Institutional - \$169.50 (or 33.90/member x 5 members)

Full time Nursing Student - \$28.25

Regular Affiliated - \$28.25

Benefits of Membership include:

- Nursing Informatics Journal Club and other educational events
- The Canadian Nursing Informatics newsletter
- Discounted rate to attend the biennial CNIA Conference
- Opportunity to sit on various CNIA Committees
- Members Only Section of the website including access to pdf's of publications, news, networking and Member's Only Forum
- Opportunity for an Executive Board position
- Member Voting rights
- Provincial Group Members pay a special membership price
- Annual General Meeting
- Bursary opportunities
- Up to date information on the Nursing Informatics scene in Canada
- Opportunity for a Canadian Journal of Nursing Informatics Editorial Board position
